Product Summary

Ablade acrylic edge lit signs are elegant, contemporary, and ideal for internal retail, reception and exhibition signage.

Product Description

Slimline Acrylic Edge Lit Signage | Ablade™

Ablade by design is similar to the Brite-Fix signage range, but uses acrylic instead of glass. This allows 3D V-carved designs to be cnc engineered and lit with our unique lighting systems and sign panel decorations. Ablade Sign displays are ideal

for retailers, interior designers, hoteliers, sign designers and architects who want that clean, contemporary look.

Ablade is commonly specified for:

Edge Lit Architectural Signage

Designer Reception signs, Slimline Way-finding signage etc.

Edge Lit Exhibition Signage.

Edge Lit Retail Signage.
