

## Custom Design LED Module Circuits

Price: (ex vat)

**SKU:** MLS-PCB

**Product Categories:** [Custom Design LED Modules & Circuits](#), [LED Lighting](#), [LED Modules, Tape & Strip](#)

**Product Page:** <http://megaled.com/custom-design-led-modules-circuits>

### Product Summary

MegaLED have considerable experience in rapidly designing, prototyping and supplying custom LED Circuits.

### Product Description

MegaLED have considerable experience in rapidly designing, prototyping and supplying custom LED Circuits, custom designed printed circuit boards and unique LED Light Engines. Here in the product image gallery are just a few examples of some of our custom led designs completed for various customers over the years.

MegaLED design and supply all types of PCB Modules and circuits:

- FR4 single sided and multilayer with/without thermal vias. - MCPCBs design of

metal core printed circuit boards. **Have a pcb design project?**  
Please don't hesitate to call us today on: **+44 (0) 208 432 0995**  
or send your enquiry [here](#).
