Product Summary

Blade™ illuminated LED glass shelves are elegantly designed and manufactured by MegaLED in the UK.

Product Description

LED Illuminated Glass shelves

Blade™ LED illuminated glass shelves are designed and manufactured by MegaLED in the UK. They are available in a variety of surface finishes, lighting colours and glass formats.

All Blade™ LED illuminated glass shelves are supplied complete as an illuminated shelf 'kit' with integrated maintenance-free lighting, wiring, power supplies and LED dimming options. They can be used in interior rooms, bathrooms and can also be built into unique displays.

If you have an enquiry and want to discuss it with somebody we'd love to talk to you. Simply telephone +44 (0) 208 432 0995 or enquire [here](#).
