Product Summary

Quick-Fix™ Illuminated LED Mirrors are designed and manufactured to order by MegaLED in the UK. Available in a variety of sizes and lighting configurations.

Product Description

Quick-Fix™ Illuminated LED Mirrors are designed and manufactured to order by MegaLED in the UK and available in a variety of sizes and lighting configurations. The product consists of a Pilkington™ optically clear mirror with integrated fixing and a high performance LED lighting system on the rear of the mirror. Quick-Fix Mirrors are an exceptionally easy way to install mirrors that produce a totally diffused 'halo' wall lighting effect around the entire perimeter of the mirror. If you have an enquiry and want to discuss it with somebody
